

Schedule of Events *J. Edward Roush Lake* *2003 Labor Day Weekend*

Friday, August 29

7:30 PM Masked Bandit. Why do raccoons "wash" their food? Find out the answer and more about this Roush Lake mammal. **KCG**

Saturday, August 30

2:30 PM Patch Time. It's not too late to work on your reservoir patch. Join Teresa to find out how doing some fun activities can earn you points towards your patch. **KCG**

3:00 PM Super Snake. Join Teresa to meet a local reptile. **KCG**

7:30 PM Habitat Bowling. Learn about the circle of life, then play a game to see if you could survive as your favorite animal. **KCG**

Sunday, August 31

2:30 PM Patch Program. Why reservoirs? Find out this answer while earning a patch. **KCG**

3:00 PM Recycled Wind-sock. Make a wind-sock of your own from a plastic bottle. **KCG**

7:30 PM Just Your Basic Bird. Learn a little about those little guys that sing to you in the morning, and make a bird mask to take home. **KCG**

Monday, September 1

10:30 AM Patch Time. Don't miss your chance to earn a patch. **KCG**

11:00 AM Nature Notecards. Take your memories with you by making a record of the final weekend of Summer. **KCG**

***All programs are conducted on eastern standard time.

*** Most hikes last 60-90 minutes. Most other activities last 30-45 minutes.

*** Children under age 14 should be accompanied by parents to all programs.
